REGULATION
of occupational safety during billiard training sessions
(for students)
IOT-166-2023

REGULATION
of occupational safety during billiard training sessions
IOT-166-2023

1. General safety requirements

1.1. Permission to attend training sessions in billiard is granted to students under the following conditions:

- who have passed a medical examination and do not have medical contraindications;
- those who came to the class at the set time in a sports uniform designed for billiard classes;
- have received occupational safety and health briefing and signed their names in the briefing log.

1.2. Students must follow lecturer's orders without discussion, prevent actions that cause class interruption and injury-risk situation.

1.3. During training sessions in billiard, the following hazardous factors are possible:

- inattention to the leave (the location of the billiard balls);
- the presence of foreign objects on the billiard table.

1.4. In case of illness, severe fatigue or unwellness, it is necessary to warn the lecturer before the start of the training session and visit the first-aid post.

1.5. In case of an accident, the victim or eyewitness of the accident is obliged to inform the lecturer immediately.

1.6. Compliance with the requirements of this manual is mandatory. In case of detection of hazard threatening the life or health of any of those present, the lecturer must be informed immediately.

1.7. Students who violate or fail to comply the instructions of occupational safety and health are held liable and shall undergo an off-schedule briefing on occupational safety and health.

2. Pre-training session safety requirements

2.1. Take off your overclothes, put on a change of shoes.

2.2. Remove all piercing and cutting objects from your pockets;

2.3. Female students should braid or tie their hair in a ponytail.

2.4. Preparation the sport equipment should be done under the supervision of the lecturer.

3. Training session safety requirements

3.1. During the classes the use of faulty sports equipment is prohibited.

3.2. When performing the exercises, students must follow lecturer's instructions (signals) strictly.

3.3. It is not allowed to leave the class without the permission of the lecturer.

4. Emergency safety requirements

4.1. In case of ill-being, a student must discontinue training and inform the lecturer.

4.2. In case of malfunction of sports equipment, a student must discontinue training and inform the lecturer. The training session shall be resumed only after malfunction rectification or replacement of the equipment.

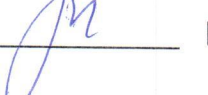

4.3. Having suffered an injury, students must inform the lecturer immediately.

4.4. In case of fire in the sports hall students must evacuate, under the guidance of the lecturer, from the sports hall through all available evacuation exits immediately.

5. Safety requirements at the end of training session

5.1. Sports equipment should be put away. Students must inform the lecturer, if any break-down of the equipment has been detected.

5.2. Students should wash their face and hands with soap.
